# IAOCI | 10TH CONGRESS | AUG 19-21, 2021

Dear Friends,

The International Academy of Ceramic Implantology is celebrating our 10th anniversary next year! Ten years of service and dedication to metal-free implant dentistry, bringing high quality education and events dedicated to ceramic implants. During our last congress in New Orleans, we released the Journal of Oral Ceramic Implantology (JOCI) which is the first scientific publication fully dedicated to ceramic and metal-free implantology and it was very well received by our members, supporters and other groups.

We are in full-fledged planning mode for our big 10th Anniversary Congress and we would like to invite you to support this event and celebrate with us. The dates for this special event are August 19 to 21, 2021 at the Paris Hotel in Las Vegas, NV! We are so excited to bring our community once again together – toasting to 10 years of groundbreaking work and laying a foundation for the next 10 years to come.

We have booked some of the world's most authoritative figures in the field of ceramic implants, implant related protocols, techniques and technologies. This will be, by far, our largest event with a broad array of workshops covering topics ranging from practice positioning in this new world to the latest clinical and scientific topics in dental implantology.

For our 10th anniversary congress among many other highlights, we hope to release a post-congress proceedings publication which will be a collection of all the main podium speakers' lectures expanded into book chapters. This proceedings book will be published by the prestigious scientific books publisher Quintessence Books and sent to all attendees, sponsors and exhibitors who will be supporting and participating in this milestone event.

Finally, our Pre-Con for 2021 will be entitled **(Holistic Dentistry for the non-holistic dentist.)** Oftentimes dental patients leave a dental practice for a practice more suited to their holistic needs. Our goal of the Pre-Con is to teach those dentists how they can better service their holistic-oriented patients all the while remaining faithful and broadening their proven and relevant mainstream practice philosophies.

This is an event you certainly are going to want to be a part of!  
We hope that you will join us, and we will see you in Las Vegas in August 2021!

If you would like to become a sponsor, please contact Todd Goldman, International Academy of Ceramic Implantology Manager and Event Coordinator, at [tgoldman@amgoldman.com](mailto:tgoldman@amgoldman.com).

Sincerely,  
Sammy Noubissi, DDS MS, President

# IAOCI | 10TH CONGRESS | AUG 19-21, 2021

## About the IAOCI

Ten Years and Counting. The International Academy of Ceramic Implantology is the only one of its kind in the of Ceramic world. We continue to steadily grow since our inception in 2011 and we continue to believe and advocate the use of metal free bioceramic materials for teeth replacement. The IAOCI invites you to become a sponsor of the three-day symposium Ceramic Implants: *"The New Chapter in Implantology"* This symposium will take place on Aug. 19-21, 2021 at the Paris Las Vegas Resort & Casino, Nevada and will be focused on the use of bioceramics in implant dentistry, as well as surgical solutions and digital dentistry. In addition to the participation in this unique event, we will offer our sponsors advertising in the advance and final programs, the IAOCI website and booth space at the congress. This event is exclusively dedicated to bioceramics as implantable and restorative materials and we would like to underline that sponsors' support is always very important for the success of such an event. We look forward to having you as a supporter/sponsor in 2021.

**Additionally, in Las Vegas we will be including a full-day focused on Holistic Dentistry for the non-holistic dentist.**

## Objectives

Our goal is to deliver a first-class evidence-based program in ceramic implantology from the immunological, material, surgical and prosthetic approaches. We want this event to be beneficial for all parties including our sponsors and exhibitors. As such, we are only offering this opportunity to a limited and carefully selected group of bioceramic and bioceramic related industry players. Sponsors will be unique in the products and services they provide and will receive the widest range of informational support from the International Academy of Ceramic Implantology. Immediately after signing up as a sponsor, your logos and link to their websites will be posted on the webpage of the symposium and on the website of the IAOCI and in the section "Friends of the IAOCI" as well. Our friends will receive an individual package of informational services.

## Congress Attendees

We expect about 200 to 250 attendees from all over the world at this congress. Attendees will represent a wide range of dental professionals from general dentists to dental specialists and researchers in ceramic implantology and bioceramics. Dental laboratories and individuals involved with bioceramic materials manufacturing and processing. Further, we expect a healthy attendance from the US due to a new marketing program that promotes local and regional attendance.

## Attendee Profile

IAOCI 2021 attracts global attendees including leading Dental Surgeons, Dental Researchers, Practitioners, Educators Key Opinion Leaders and decision makers from the following dentistry communities:

- General Dentists
- Cosmetic/Aesthetic Dentists
- Oral and Maxillofacial Surgeons
- Periodontists
- Periodontists
- Dental Hygienists
- Dental Assistants
- Oral Implantologists
- CAD/CAM
- Dental Laboratory Technicians

# IAOCI | 10TH CONGRESS | AUG 19-21, 2021

## Benefits to Exhibitors

This is an excellent opportunity to showcase your products and/or services and meet the attendees face to face. There will be a company listing and a description of your product and/ or service in the congress Program Guide. Sponsors' company listing will be posted on the Academy's website as well as an internet link from the IAOCI's website to your home page. Program scheduling, refreshment breaks, and other activities will be located in the Exhibit area to ensure optimum traffic flow.

## Exhibit Booth Description

Each booth consists of one 8'x8' exhibit space, 6' draped table and two chairs. Other furniture, electrical needs, and Wi-Fi internet connection are available upon request. Contact the IAOCI event coordinator for order forms. Exhibit area perimeter will be secured by the hotel after hours and when exhibits are closed. Exhibits will be adjacent to the General Session Ballroom.

## Exhibit Booth Assignment and Terms of Payment

The International Academy of Ceramic Implantology based on the selected level of sponsorship will assign exhibit space location on upon receipt of a completed exhibitor application and 50% deposit. Space must be paid in full no later than December 1, 2020 and no refunds will be made after December 1, 2020. Every effort will be made to respect exhibitor's space choices. The IAOCI reserves the right to change booth assignments when such action is deemed to be in the best interest of the total exhibition. Each exhibitor is required to have at least one attendant in the booth at all times when Exhibit Hall is open. Displays must remain in place throughout the posted exhibit hours. Please note that the floor plan is subject to change.
